In front of the pristine beaches of the Aegean, the perfect “I do” gets the perfect backdrop.

The location

Unique destinations, exceptional moments.

Mitsis Hotels is famous for its excellent locations. With 17 hotels and resorts in Athens, Crete, Kamena Vourla, Kos and Rhodes, Mitsis Hotels provides you with an ideal proposition for every desire.

Beachfront Hotels & Resorts, on “Blue Flag” awarded beaches, with crystal clear waters. Steps away from the Aegean sea waters... let the sounds of crystal clear waters sing along your precious moments.

Ceremonies are often held right on the beach. The bride can be escorted by violin players, rose petals guiding her path, the guests enjoying freshly squeezed lemonade and local pastries while gazing at the perfect sunset.

The perfect beach ceremony is followed by a unique culinary experience dinner with drinks and cocktails, handcrafted for an unforgettable party.
